

## Technical Guide - Template

The first time a race is submitted for inclusion on the UCI MTB international calendar, the organiser shall submit documentation including the following information:

- Statement that the race shall be run under the UCI regulations
- The specific regulations for the race (non-standard regulations) e.g. sprint, team relay, etc
- Class of the event, categories of riders
- Points scale, prize list
- Detailed race program including training times, schedule of meetings
- Registration procedure, accreditation, distribution of race numbers: location and times
- Description and detailed plan of the course indicating marshal location and medical points, length, profile and elevation of the course
- Detailed information of start and finish, timing hot spots (intermediates, speed trap)
- Location of award ceremonies, Anti-doping tests, race office, press conference room, race meeting room, etc.
- Time-keeping information: photo-finish, use of light beams and/or transponders
- XCO: location of the Feed/Technical Assistance zones, specific transport to access FTA zones
- XCO: separate U23 start (if applicable)
- Lift access/shuttle information (capacity) and equipment transport
- Parking locations teams, riders, public
- Location and information of nearest hospital
- Names and contact information of the organizer
- Eventual transport arrangements for participants for arrival and departure

☞ ***For each stage race events and for each Hors Class events (also for an event already registered the previous year), a technical guide must be provided per Article 4.2.067 and 4.1.011.***

☞ ***A technical file must be enclosed to each new request together with the registration according to Article 1.2.009.***
